

The background of the slide is divided into four geometric sections by diagonal lines. The top-left section is white, the bottom-left is orange, the bottom-right is a light blue, and the top-right is a darker blue. The text "PROJECT BASED LEARNING" is centered in the white section, rotated 45 degrees counter-clockwise.

PROJECT BASED LEARNING

DRIVING QUESTION

How can we take care of the earth?

SUSTAINED INQUIRY

1. Find ways on how to address the problem. Take turns and discuss the ways.

AUTHENTICITY

3. **Discuss how the problem would address a real world issue.**

VOICE AND CHOICE

- **Discuss what you know, what you want to know and what you want to learn.**
- **What will you do to find the answer to the problem?**

Plan your output.

CRITIQUE AND REVISION

1. Listen to what others will say about the project.
2. List down the comments
3. Make revisions on the project.

REFLECTION

What did you learn from the project?

How will you improve the project?

What will you change?

PUBLIC PRESENTATION

**Present your project to
the public.**
